

The Minnesota Craft Brewers Guild is a nonprofit association that was founded in 2000 and is made up of more than 180 Minnesota brewery and brewpub members. The Guild's mission is to promote, protect, and grow a robust Minnesota craft brewing industry by building a healthy beer culture and community that allows for independent brewers, industry stakeholders, and craft beer fans to thrive.

The Guild showcases the talent of Minnesota's craft brewers and promotes Minnesota's brewing industry by sponsoring festivals and special events, including the All Pints North beer festival, the Brewed in Minnesota exhibit at the Minnesota State Fair, the Autumn Brew Review beer festival, MN Pint Day, and the MN Brewers Cup Competition.

The Guild also provides continuing education, scholarships, networking, legislative advocacy, and other support services to Minnesota's craft breweries and brewpubs and their employees.
