**“BREWED IN MINNESOTA” EXHIBIT HIGHLIGHTS THE INGREDIENTS,
PEOPLE, AND IMPACT OF MINNESOTA CRAFT BEER**

*Fair-goers can explore state’s craft beer industry through tasting flights, craft beer education,
and more at the Minnesota Craft Brewers Guild’s exhibit.*

St. Paul, MN: The Minnesota Craft Brewers Guild is proud to present the “Brewed in Minnesota” exhibit at the Minnesota State Fair, August 26 – September 6, 2021.

Housed in the Agriculture/Horticulture building, the “Brewed in Minnesota” exhibit showcases the best of Minnesota’s craft beer industry and details the brewing process all the way from the farm to the pint glass. The exhibit will connect consumers with the local business, agriculture, and people who bring it all together.

Attendees can sample locally-brewed beer, cider, seltzer, and NA options, learn from leaders in the industry, and continue to explore Minnesota’s craft breweries and brewpubs after the Fair with the exhibit’s free take-home maps, craft beer merchandise, and more.

Exhibit Highlights:

- Constantly rotating beer flights featuring hundreds of beers from more than 90 MN breweries and brewpubs.
- Twice-daily presentations by craft brewers and industry leaders on topics such as:
 - brewing with local ingredients
 - the brewing process
 - diversity in the MN craft beer scene
 - craft beer laws in Minnesota
- Tasting guides, craft beer maps, drink passports, and more!

For presentation schedule and more information about the exhibit, visit www.mncraftbrew.org/event/state-fair
