**MINNESOTA CRAFT BREWERS GUILD ANNOUNCES BEMIDJI AS NEW LOCATION FOR
2027 ALL PINTS NORTH SUMMER BREW FEST**

Beloved craft beer festival to create more "Great Moments" with move to Bemidji

Bemidji, Minn. — Today, the organizers of All Pints North Summer Brew Fest announced that next year's festival will be held on the shore of Lake Bemidji on July 31, 2027. This move continues to celebrate the best of Minnesota summer by bringing together craft beer fans and the brewers of Minnesota to enjoy local beverages, businesses, artists, shops, food, and music in a new part of the state.

For 14 years, All Pints North has brought thousands of craft beer fans together on the shores of Lake Superior for one of the State's most beloved craft beer events. All Pints North has been voted Best Festival and Best Beer Fest in Minnesota in numerous publications during its history. All Pints North is also a key fundraiser for the MN Craft Brewers Guild, a nonprofit membership association serving the craft brewing industry.

"We're incredibly excited to continue the spirit of one of the State's oldest and biggest beer festivals in Bemidji," said Bob Galligan, Director of Government and Industry Relations for the MN Craft Brewers Guild. "All Pints North has always been a giant celebration of our industry and the community it serves, and we're thrilled to be bringing some Paul Bunyan-sized smiles to a new and welcoming city."

Moving the festival to Bemidji in 2027 continues the Guild's mission to promote craft brewers by bringing their signature event to a new city, its community, and its craft beer fans. APN 2027 will feature the same delicious beverages and summertime fun of past All Pints North, while also celebrating the community and culture of the City of Bemidji. The MNCBG invites new guests, longtime attendees, brewery partners, volunteers, and

supporters to join them and raise a glass to Bemidji and the future of the All Pints North Summer Brew Festival next summer.

Tickets for All Pints North 2027 are on sale November 27, 2026. For event information and updates, visit: <https://www.mncraftbrew.org/all-pints-north>
